

Kids, Parents & Technology: A Guide for Young Families

MyDigitalFamily presents the second revised paperback edition of its indispensable tool for parents. Parents need help managing media at home. By now you already figured out that it is not enough just to protect kids from technology hazards. As a parent of young kids, you have wondered if anyone really knows what to do to harness the power of technology to help your kids start out right, and grow and develop in all the best possible ways. Now you finally have in your hands the answer about technology. This is the first ever comprehensive and practical child- and family-centered guide of its kind. Parents: reset your thinking and learn step-by-step how to make digital media into powerful parenting tools. SEE MORE @ www.mydigitalfamily.org

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
