

Foods Preserved

Pickling and preserving are traditional ways of keeping the best of the season for enjoyment later in the year. This book shows how to use vinegar, oil, salting and drying, sugar and alcohol to produce a range of sweet and savoury preserves from chutneys and relishes to winter fruits in mulled wine, from goats cheese in olive oil to cherries in brandy.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
