

# The Dream Book

Dreams allow us to visit places we've never really been, offer a venue to say things we might not actually say, and grant superhuman abilities to accomplish the impossible. Dreams may be pleasant or scary, long or short, in color or black and white. They entertain us, inform us, and may even warn us. But one thing they all have in common is the ability to leave us wondering what they mean. With nearly 700 common and some not-so-common items and concepts that might appear in your dreams, *The Dream Book* is a complete guide to dream interpretation. Conveniently arranged in alphabetical order and cross-referenced for easy access, it offers insight into the people, places, colors, numbers, objects, and subjects that inhabit our dreams. From A to Z, it answers your questions about what your dreams are telling you.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
