

## East Plays West: Sport and the Cold War

The Cold War spanned some five decades from the devastation that remained after World War Two until the fall of the Berlin wall, and for much of that time the perception was that only on the Eastern side were politics and sport inextricably linked. However, this assumption underestimates the extent to which sport was an important symbol for both power blocs in their ongoing ideological struggle. This collection of essays from leading international authorities on sport, culture and ideology brings together an impressive body of work organized around key political themes and outstanding moments in sport, and is at once a political history of sport and an illuminating new perspective on the forces that shaped this unsettled time.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
