

Yes We Did! An inside look at how social media built the Obama brand (Voices That Matter)

FOREWORD by Don Tapscott, author of Wikinomics and Grown Up Digital The Obama campaigns mastery of social media for everything from fundraising to volunteer coordination has been widely reported. Until now, there hasnt been an in-depth analysis of how they did it. In Yes We Did, new media strategist and campaign headquarters volunteer Rahaf Harfoush gives us a behind the-scenes look at the campaigns use of technology, from its earliest days through election night. She reveals strategic insights organizations can apply to their own brands. Discover how unwavering strategic vision and collaborative technologiesemail, blogs, social networks, Twitter, and SMS messagingempowered a formidable online community to help elect the worlds first digital President.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
