

Whole Brain Power: The Fountain of Youth for the Mind and Body (Hardbound Edition)

Michael J. Lavery's theories about how large and small motor-skill development of both right and left hands is directly linked to development in the left and right hemispheres of the brain is revolutionizing our understanding of how best to train the brain. The application of his theories and training methodologies are universal, including benefits for athletes seeking to supercharge their performance, for Baby Boomers wanting to reverse the aging process, and for retirees looking to rejuvenate their memory powers and regain an active lifestyle. Learn how a dozen Whole Brain Power All-Star practitioners from the ages of fifteen to ninety-one have transformed their brains and bodies through Michael's simple ambidextrous skill training, penmanship drills, and memory drills. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
