

Auditing and Assurance Services. Aasmund Eilifsen ... [Et Al.]

Auditing & Assurance Services, Second International Edition combines a genuine international perspective and relevant international regulatory requirements with a conceptual and systematic approach to auditing. This fully up-to-date textbook provides students with the most current concepts of auditing and professional requirements. What's new: New Practice Insight boxes provide students with engaging snippets of auditing in real life to help them understand the practical nature of the subject; increased coverage of corporate governance, litigation, the impact of the global financial crisis on auditors, auditing of accounting estimates, and of group financial statements; new and updated end of chapter problems, discussion cases and internet assignments designed to challenge students and test their understanding; all chapters have been updated with the new set of clarified ISAs and the clarified International Standard on Quality Control; and the text is also fully compliant with the revised Code of Ethics for Professional Accountants.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
