

Coronado Cooks: Historically/Modern

A collection of amazing recipes from the Coronado Neighborhood near downtown Phoenix, Arizona. Included are neighborhood restaurant favorites like Barrio Cafes Lowrider Margarita and Tuck Shops Times Mac and Cheese. Many vegetarian and vegan options within the pages of this well loved neighborhood cookbook! All proceeds to benefit the Caring Coalition, a local nonprofit that creates weekend food packages for Coronado children at Emerson Elementary school. These children depend upon breakfast and lunch served at school, and weekends would find them hungry without the food packages delivered by this Coronado-focused nonprofit. Please support and get a great cookbook too!

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
