

Orthodoxy and Catholicism: What are the Differences?

In this 24-page booklet, a former Roman Catholic chronicles his own journey to the Orthodox faith, and examines the critical issues that influenced his decision. These issues include papal authority, the filioque controversy, and the new dogmas of the Catholic Church. Written in a thoughtful, non-confrontational style, *Orthodoxy and Catholicism* describes the basic differences, providing a clear apologetic from the Orthodox perspective.
