

Simple Mysteries, Profound Knowledge

Simple Mysteries, Profound Knowledge was written from an inspiration and a need to share my perspective on life at the time to members of the pagan and human communities. I did not put a lot of thought into what should be said or how the book should be written. I let Spirit write it and lead me to what it should become. This book is designed to give those both new to spirituality a foundation to start from, as well as giving the human community a peek into this world in hopes of understanding and acceptance. My hope is that people will not sit and debate over what is right or wrong with the book, for it is all from my perspective, my training, and my experiences.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
