

Honest Doubt: Essays on Atheism in a Believing Society

Despite the prevalence of religious belief in the United States (nearly 200 million Americans belong to 350,000 congregations), a growing minority (14 percent) of U.S. adults identify with no religion whatsoever. Journalist James A. Haught addresses the secular segment of American society in this interesting collection of incisive essays that give voice to honest doubts about religious beliefs. Taken together, Haught's essays endorse the idea that freedom of religion must include freedom to doubt as well as to believe. Individually, the articles present many different reasons to doubt: Intellectual integrity demands that we express doubts about beliefs for which there is no scientific evidence. The historical record, past and present, shows that religion is often the cause of evils, from the Inquisition and the burning of witches to current terrorist violence committed in the name of religion. Natural evils, such as the 2004 Asian tsunami and devastating diseases, should make any thoughtful person question whether an all-powerful and all-merciful God governs the universe. The sheer number and diversity of often-conflicting belief systems raise serious doubts about the philosophical coherence of religion as an approach to finding the truth. Scandals among the clergy undermine the credibility of religion as a sound basis for morality. Written in a straightforward conversational style that makes clear the many scientific, philosophical, and ethical difficulties that plague religion, Haught's thought-provoking essays will appeal to atheists, agnostics, and anyone with questions about religion.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days

the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
