Emotional Intelligence FREE Bonus Included) Find Out the Factors that Determine Your Success. Increase Your EQ and Master Your Emotions with This Great Workbook The amount of emotional intelligence that you have is based on many different aspects. Empathy, motivation, personal goals and self-mastery are all concepts that are associated with emotional intelligence. Take your own personal assessment and identify different areas of your life that may need improving. Don't let your life become stagnant and boring. It's when we don't understand our emotions and the emotions of others that we find ourselves in not only stressful situations but complicated situations as well. Once we understand what we're feeling and why, we'll then be able to understand why others are feeling what they feel as well. This understanding is not only important for personal growth but it's important for the growth of your relationships as well. Healthy relationships don't just rely on the connection that you have with one another, but the way you communicate as well. Assessments will cover: The amount of empathy you have The goals you have set for yourself How well you're able to control your own emotions How dedicated you are and much, much more Getting Your FREE Bonus Download this book, and find BONUS: Your FREE Gift chapter right after the introduction or after the conclusion.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
