

150 Sharks: Pocket Guide to Billiard Distractions (Go Booklets)

This is an abridged version of *Sharking: Dont Get Fooled Again*. Text size is increased for reading on a smartphone in a pool room. No sharking antidote. No short stories. Just some fluff upfront and a list of dangerous tricks to recognize, navigate, and overcome. Your fate in tournaments and money games relies on your knowledge of sharking. Where there are high stakes, there will be significant cheating. Dont just win. Level the playing field for yourself and others.
