

Hard Men of Welsh Rugby

This fierce little book is for rugby fans who like their meat red and preferably raw. A collection of brief, affectionate pen portraits of Welsh internationals famous, or infamous, for their physicality, it also offers a glimpse of a period in the game now almost unrecognisable. Only two of the twenty players selected here played into the twenty-first century and experienced professionalism as we understand it. When we read of Charlie Faulkner giving up his double shift at the steelworks to attend training, or Bobby Windsor changing buses three times in the rain on his way to a Cardiff international, and we realise that to many of these players the possibility of a Rugby League contract meant their only chance of financial security, it brings the hardness and yes the violence of their lives into sharper focus.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
