

The Law of Tax-Exempt Organizations, 2004 Supplement

The Eighth Edition to The Law of Tax Exempt Organizations is an important revision and expansion of the definitive one-volume source of information on federal laws by the leading legal authority in the nonprofit sector. Written in plain English and supplemented annually, this book helps the lawyers and managers of tax-exempt organizations make sure that they are up-to-date on all current regulations pertaining to tax-exempt organizations, and that they are well-prepared to make decisions about their organizations actions and future. The Eighth Edition provides detailed documentation and citations, such as references to regulations, rulings, cases, and tax literature (including current articles and tax law review notes) and includes an exhaustive index, Internal Revenue Code citations, tables of cases, and IRS rulings.
