

Executing The Basics of Healing

What Is Your Game Plan? Do you know what to do when you are faced with symptoms of sickness in your body? Do you have a game plan for receiving healing and for walking in divine health? In his book, *Executing the Basics of Healing*, Kenneth W. Hagin provides simple solutions to these questions and many others. Using basic biblical truths and making the subject of healing easy to understand, Rev. Hagin reveals the strategy for walking daily in divine health. *Executing the Basics of Healing* examines God's healing nature as it is revealed in Scripture and explains how Christians can execute God's Word in the arena of healing to live victoriously over sickness and disease! This dynamic book reveals: The answer to the question, Should Christians suffer? Who is to blame for sickness? The terms of our covenant of healing. Four biblical steps to receive healing. Why one dose of God's medicine isn't enough.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
