

Yoga Beats the Blues: Boost Your Mood, Memory, and Concentration with Easy 5, 10, and 20-Minute Yoga Routines

Yoga is well known for its ability to calm nerves while it creates a fit body. In *Yoga Beats the Blues*, fitness writer and yoga instructor Donna Raskin offers 20-minute routines that alleviate anxiety and depression while improving memory and concentration. Fully illustrated, this book makes it easy for even a beginner to achieve a relaxed, happy state of mind. You'll learn how to breathe your way through a crisis at work, the simple stretches that can help you undo nervousness, and the best way to calm down after a difficult conversation.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
