

Wake-Up Call (Lesbian Ghost Hunters Book 1)

Lesbian Ghost Hunters: Book #1 She comes to me in the morning. Every day the ghost visits her. It started as a wake-up call, but as her visits become more frequent, the recipient, a young maid, starts to get nervous. There's nothing she can do except lie back and enjoy it until what she fears the most happens: they're caught. Mysterious, dark-eyed R.J. knows exactly what's happening to her. But she also knows exactly how to deal with it...

EXCERPT: How do I make her leave me alone? The ghost hunter flicked her long hair over her shoulder to look back at me. I held my breath, waiting for the answer. You have to give her what she wants, she said, drawing out the sentence into something long and supremely sensual. What she craves. Then the corners of her red lips curved up to reveal two full rows of wicked white teeth. You have to give her release. This 10,000 word novelette is intended for mature audiences.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
