

Parkour: Sport & Action

Learn about the sport of Parkour with iMinds insightful knowledge series. If there was only one way to describe parkour, it would be to call it a sport. Parkour involves the task of overcoming obstacles, both physical and mental. But not everybody is in agreement with what parkour is truly about. What we do know is that parkour originated in France where it is sometimes referred to as l'art du déplacement meaning the art of displacement. The basic principle of parkour is to use only the human body to move from point A to point B in the most efficient, direct and fluid way possible. iMinds brings targeted knowledge to your eReading device with short information segments to whet your mental appetite and broaden your mind.
