

# Staying Connected: How MacDougall Family Traditions Built a Business over 160 Years

James Ferrabee and Michael Harrison reveal that even as decades have passed and economic trends have soared and crashed, MacDougall, MacDougall & MacTier has been able to rely in good times and bad on the tradition and continued presence of the MacDougall family as well as the firm's core values: integrity, independence, and trust. Not only rich in detail about the history of the company, its founding family, and Canadian business, *Staying Connected* also offers a lively portrait of the city of Montreal from the mid-nineteenth century to the early twenty-first. Accessible and amusing, this is an inside account of a continual success story.
