

Your Power to Create (Playaway Adult Nonfiction)

Where did this notion that we have the power to shape our own destiny come from? How can we separate wishful daydreams from the authentic work of creation? With her intuitive grasp of spiritual truths and her no-nonsense presentation, Caroline Myss cuts through the myths surrounding manifestation on her wholly original new audio programme, Your Power to Create. Taking a direct path to the heart of human creative power-and how each of us can learn to harness it-Caroline Myss opens the doors of understanding to: - What stops us from creating? How to overcome the fear that holds you back - From Revolution to Revelation, and all the stages between-the cycle of creation that governs cultures, epochs, and our individual lives - How the will of the divine makes itself known to us in every moment-if we know how to listen - Applying your creative power to your health, your financial well-being, and your relationships - Five steps to true manifestation: practical tools for unlocking your creative power, and much more. Caroline Myss teaches ability to shape reality is a divine gift-but it is a gift that must be trained, strengthened, and practised as a living discipline every day. Now, this gifted teacher brings her trademark passion, candour, and extraordinary insight to help you unlock Your Power to Create.
