

Canning & Preserving Veggies: A Step by Step Guide - 50 Delicious Recipes Included

Fill Your Cupboards with Homemade Canned Vegetables Whether you grow your own garden or like the fun of shopping farmers markets, you know that big bags of vegetables dont stay fresh very long. And no one likes to throw away good food. Do it yourself home canning is gaining in popularity as a fun and practical hobby and for some its a necessity depending on where they live in proximity to a local market. Your own canning usually tastes better than processed foods from a store, and is usually healthier and less expensive. This is a step by step guide to home canning and preserving fruits and vegetables, plus a variety of tasty recipes. Inside you will find my favorite recipes for canning vegetables... ENJOY!!

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
