

Foreign Direct Investment

Offering European and Asian perspectives, this text addresses the role, the determinants and economic effects of foreign direct investment (FDI). It provides a blend of informal discussion, recent theory and empirical analysis on FDI. It covers macroeconomic as well as microeconomic and financial aspects, including the effects of taxes, network effects and multinationals.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
