

## A Path To Freedom

The legendary Irish revolutionary Michael Collins was known to be an avid reader during his brief career he set up a few underground newspapers. Collins also found time to write essays, which are collected in this work. In his essays, Collins distills his political thoughts and offers his unique insights into Ireland's troubled history.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
