

# THE FAMILY SURVIVAL GUIDE: Where Will You Be Alive And Safe in 2015-2016 When WW3 Starts???

\*\*\*\* LIFE SAVING INFORMATION!  
\*\*\* WHERE WILL YOU BE ALIVE AND SAFE IN 2015-2016 WHEN WW3 STARTS???

This guide is written for PEACETIME, and for WARTIME... The chances are very high you will experience both during YOUR LIFETIME! So, TIME YOU GET PREPARED, my friend! This survival guide is written to help all the people in the world, especially to help all the mothers and fathers who want to protect their families and are wondering What Can We Do? and Where To Go? when things go completely wrong. This guide tells you very clearly what is happening TODAY in the world, which events should trigger a red alarm in your head and how to ESCAPE IT ON TIME!

As terrorist attacks will unfold in Europe (London, Paris, Brussels, Berlin) and nations rise up against each other ( USA/NATO against Russia, China vs Japan, North Korea vs South Korea, Israel vs Iran ) the chances of a war getting out of control are VERY REAL now... It only needs one person to lose his head to unleash Armageddon. The most famous visionary prophet of all times, Michel Nostradamus predicted big war after studying the star constellations for 2015 and 2016; concluding that evil will affect humanity in its most horrific way. This guide does not promote violence, nor will it convert you into a new Arnold Schwarzeneggers type Terminator machine or a new Rambo hiding himself in the wilderness of Alaska, armed with 20 knives and eating raw ants and grilled snakes! This guide tells you how your family can survive in an intelligent way and shows you a SAFE WAY OUT when things really get ugly and insanity overtakes us all! Dont forget, when a nuclear war breaks out far away from home (most probably in the Middle East or Euro-Asia), the radioactive clouds will stay for YEARS in the atmosphere! Even

thousands of miles away, you wont be safe!

Dont be fooled! The myth of a safe radiation level exists is plain FALSE! To understand better the impact of a nuclear attack; the radioactive cloud after the Hiroshima attack in 1945 made 56 turns around the globe before it finally was dissipated. And that was the fallout from one small nuclear bomb only... Nowadays, when a war escalates into a nuclear war, thousands of extremely powerful nuclear warheads will explode and will make even places that are far away an extremely dangerous place to be! This book tells you which countries will be safe for your family and what to do to get these lethal radioactive particles OUT of your body! Even now in peace time, radiation is a very real threat! Nuclear power plants unleash harmless doses of radiation into water and air and the Fukushima leakage is still on-going, contaminating the whole Pacific Ocean and its sea life! Radioactive particles have been detected in the fish and in the clean waters of Alaska and California. The levels of measured radioactivity are going up at an alarming rate everywhere! And mainstream media is keeping silent... while a tragedy of biblical proportions is unfolding every day of the year! Radiation is a very serious matter. For this reason I ask you to share this book with as many people as possible. Consciousness is our only weapon! Furthermore, you will find in this guide: Why the US DOLLAR and consequently the US economy MUST FALL! Why the powers at be profit from starting WW3? How to survive a collapse of society? How to protect yourself against an attacker? What are the 21 biggest REAL risks were facing nowadays? The 5 most important aspects of surviving. If you forget one, you will die! SPECIALS: 1. HOW TO BECOME A SELF-SUSTAINING SURVIVALIST! 2. HYDROCULTURE 3. KEEPING LIVESTOCK 4. COMMUNICATION TOOLS 5. BUG-OUT BAG LIST 6. THE COMPLETE SURVIVAL LIST 7. MEDICAL LIST 8. HEALTH SPECIAL

9. HOW TO PROTECT YOURSELF AGAINST RADIOACTIVITY! 10. NATURAL REMEDIES TO KEEP YOU HEALTHY AT ALL TIMES! 11. LIST OF SAFE COUNTRIES WHEN WW3 STARTS!

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
