[Siren Everlasting Polyromance: Erotic Paranormal Cowboy Multiple Partner Romance, M/F/M, shape-shifters, HEA] Payton Camilius and Cody Jessup want Averil Stanwic. But Averils divorce has left her uninterested in having a relationship with any man, much less two. When they come by her cabin, Averil pushes Payton. He stumbles, hits his head, and ends up in the hospital. Cody takes his anxiety and anger out on Averil, putting distance between them. Then before Payton is released from the hospital, the enemy poisons Averil. Kira, Averils twin sister, unknown to everyone but her family, comes to the ranch to save her sisters life. She has abilities few know about. A special blood transfusion saves Averil. She goes with Cody and Payton to their house. But the killer persists and gets past Payton and Codys defenses. The next attack on Averil puts her at deaths door. Will Averil respond to the desperate attempts to save her and find happiness with Cody and Payton? And who can stop the enemy who moves freely around the ranch? \*\* A Siren Erotic Romance

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
