

A Birdwatchers Guide to India

Indispensable guide to over 90 sites and areas, for birds as well as other wildlife. Contains a checklist of Indian birds and the first comprehensive checklist of mammals. I have been unable to find fault with the areas that I am familiar with and the maps are almost like visiting the site again. It is full of detail on both the major sites and a wealth of smaller sites, all of which are well worth a visit. This means that the book has something for both the first time visitor and regular Indian birders. This is a well thought-out book crammed with useful information; the authors are to be congratulated. If you wish to see Indian birds, this book is an absolute must. Nigel Lindsey

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
