

Cyberspace: The Human Dimension

This analysis of what cyberspace is and what it is not synthesizes the various opinions and perspectives, showing why such divergent views are held on issues such as regulation, censorship and the conduct of business on the Internet and in cyberspace. The book includes current cyberspace law.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
