

Western Mandalas of Transformation: Magical Squares - Tattwas - Qabalistic Talismans (Llewellyns Golden Dawn Series)

This work reveals the uses of astrological and Qabalistic talismans for spiritual use. It shows how the reader can learn the mysteries hidden in the ancient system of magical squares. Step-by-step instructions teach both the beginner and the experienced Qabalist how to: create mandala-talismans; how to acquire a magical Guardian Angel; correct guidelines for obtaining spiritual guides; the traditional Golden Dawn magic seals; and the Tattwa system. The guide contains sections on the meaning of numbers, planetary attributes and many other symbols. Explanations are also given about the secret techniques for awakening these images in the subconscious to energize the chakra system and personal aura. There is also a section on Gematria for the seasoned Qabalist, and a chapter on Daath.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
