

More Fire: How to Run the Kenyan Way

Kenya has produced the greatest concentration of world-class runners, and fellow athletes have long been intrigued by their remarkable success. Toby Tanser has devoted much of his professional career living and training among Kenyan runners in order to better understand the unique status of East African athletes. In *More Fire: How to Run the Kenyan Way*, the author builds upon the success of his acclaimed *Train Hard, Win Easy*, the first book to provide insights into the Kenyan magic that so many runners and coaches had sought. Instead of special foods or secret techniques, Tanser found that Kenyan runners simply trained incredibly hard, much harder than anyone had realized. By adapting their training regimen which includes three workouts a day and following their example, runners, whether novices or champions, are able to improve both their performance and enjoyment in running. For those training for a marathon or any other distance race, this book is both practical and inspirational. Divided into four parts, the book begins with a description of running in Kenya, the landscape, the physical conditions, and the people; the second part concentrates on details of Kenyan training camps, training methods, and their typical training diet; the third profiles individual runners and coaches from the past and present, with each explaining their approach to running so that readers can gain further insight into their methods. The book ends with a discussion on how the reader can adapt Kenyan training practices for their own running requirements. *More Fire: How to Run the Kenyan Way* is essential reading for runners of all levels and experience.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of

those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
