

The Orthodox Way

This book is a general account of the doctrine, worship and life of Orthodox Christians by the author of the now classic *The Orthodox Church*. It raises the basic issues of theology: God is hidden yet revealed; the problem with evil; the nature of salvation; the meaning of faith; prayer; death and what lies beyond. In so doing, it helps to fill the need for modern Orthodox catechism. Yet this book is not a mere manual, a dry-as-dust repository of information. Throughout the book, Bishop Kallistos Ware shows the meaning of Orthodox doctrine for the life of the individual Christian. Doctrinal issues are seen not as abstract propositions for theological debate but as affecting the whole of life. A wealth of texts drawn from theologians and spiritual writers of all ages accompanies Bishop Kallistos' presentation. They, too, reveal Orthodoxy not just as a system of beliefs, practices and customs but indeed as the Way.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
