

The Save and Prosper Rugby Union Whos Who 1995-96

This reference work provides an outlet for the players views on the state of the game. The captains of all the major rugby union-playing countries present an in-depth analysis of the game, and give their visions for the future of rugby union. Best moments in rugby, players to watch, suggestions to improve the game - these are just some of the opinions expressed in the biographies section, containing each and every player who has represented his country at international level. Other highlights include: international players player of the year; recent retirees from rugby; year-end review; and a full list of the major fixtures for the new season. New for this edition is the inclusion of players from Australia, New Zealand and South Africa, including all the results from games played during the past year between those rugby union nations. New for the 1994/95 edition is an in-depth preview of the 1995 World Cup to be held in South Africa.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
