

Ski Camping

Ski Camping is a beautifully photographed book covering camping and skiing in the backcountry. Topics covered include planning, equipment, clothing, food, trail techniques, skiing techniques, snow camping, winter shelters, route finding and winter hazards. It has become a classic outdoor instructional book and is one of the most well received skiing books ever published.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
