

The Orthodox Faith Volume 1: Doctrine and Scripture

THE ORTHODOX FAITH series is intended to provide basic, comprehensive information on the faith and life of the Orthodox Church. It consists of four volumes. This volume is divided into two parts. The first outlines the doctrinal teachings of the Orthodox Church by looking at its sources, followed by a commentary on the Nicene Creed and an explanation of the doctrine of the Holy Trinity. Part Two contains an explanation of the primary source of Christian doctrine - Scripture - through an overview of the contents of both the Old and New Testaments.
