

Taking Care of Barbara: A Journey Through Life and Alzheimers and 29 Insights for Caregivers

Taking Care of Barbara is an inspirational resource book for anyone living in the world of Alzheimers. There are clear and concise caregiver tips and references in dealing with the everyday struggles that come with the progression of the disease. What a gift to know and be able to anticipate the needs of our loved one when they may not be able to communicate them. Most importantly, this book is a celebration of family and the relationship between the caregiver and the patient. It lifts the caregiver above the everyday struggles and reminds us of where to find the strength and joy in the frequent frustrations of the day. It inspires us to love beyond the external happenings and shows us there lies a deeper and greater gain that will enrich our spirit. The world of Alzheimers may feel overwhelming, but this book encourages caregivers to get out of bed, put their feet on the floor and face the day with renewed strength and purpose.-Kelly Cason Hunter, Hospice Volunteer, Pediatric Nurse

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
