

Illustrated Seamanship

Seamanship is the art of managing a boat. This book is a follow-up to the successful Sail & Rig Tuning and Illustrated Navigation covering knots, docking the boat and anchoring, all illustrated in Ivar Dedekams distinctive style and backed up with clear and simple text. These skills are imperative to keep a boat safe and make cruising as enjoyable as possible.* Follows on from the success of the authors previous work, Sail & Rig Tuning (sold approx. 27,000 copies)* Covers cruising boats worldwide* Covers all the key topics for managing a boat and safety on board (e.g. ropework, mooring, manoeuvring in harbour, anchoring)* Highly illustrated

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
