Womens Guide to Managing Emotions: How to Effectively Handle Your Feelings

Looking to manage your emotions and behave calmly and rationally in stressful situations? After reading this book, you will understand that your feelings are separate from your behaviors and that you can only control your own actions. You will learn some techniques to alter your perspective when dealing with other people in your life and how to stand up for yourself by setting boundaries. I will also offer you some tips to keep your disagreements civil and goal-directed when they occur and will show you that you alone are in charge of your life. After these concepts, I will explain the SIP solution and how you can use this to calm down and choose to behave in an appropriate manner even in highly-charged emotional situations. Discover a method to get your emotions under control and behave in a mature manner that demands respect in your relationships. Also, you'll discover..
