

FE/EIT Mechanical: Discipline-Specific Review for the FE/EIT Exam

Critical for Afternoon Session... Our Discipline review is critical for your preparation for the afternoon Discipline tests. Expert professors present you with a concise treatment of everything you need to know to pass this part of the exam. Streamlined Approach... Our reviews explain each topic presented in the official NCEES Handbook on an equation-by-equation basis. For each major equation in the NCEES Reference Handbook, our Reviews present a brief review, a sample problem, and a worked-out solution. (The free CD includes 2 sample exams for the General Exam plus one sample exam for each of the major disciplines.) FE/EIT Mechanical covers... Thermodynamics, HVAC, heat transfer, fluids, machine design, controls, instrumentation

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
