

At Balthazar: The New York Brasserie at the Center of the World

Explore the iconic and beloved restaurant Balthazar celebrating its twentieth anniversary in April 2017 in this lovingly crafted, behind-the-scenes look at the legendary New York institution. MK Fisher Award finalist Reggie Nadelson was granted unrestricted access to owner and brilliant restaurateur Keith McNally, the restaurant, the kitchens, the present and past staff, the restaurant's archives, and more. She follows the twenty-four-hour cycle of the SoHo hotspot itself and explores the history of both French brasseries and downtown Manhattan, weaving together a savory tale of design, economics, celebrity, and of course delicious food. Featuring stunning color photographs and ten new recipes from Balthazar head chef Shane McBride and chief baker Paula Oland, this beautiful book celebrates the rich history and continued success of this renowned restaurant.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016.
