

Biblical Bug Out: Dont Bug In - Follow The Calling

So many so-called Christians (which are not actually Christians) live a life void of understanding the times we live in and the hardship that awaits anyone who truly follows Christ. Regardless of specific dates or doctrines we know for certain that persecution is on the rise throughout the world for Christians. We all must be ready for the day that our lives are shattered with the reality of being hated in all the world. Being merely hated is one thing, but as any reasonable person can conclude what happens after they hate us? The obvious answer is they will come for us just like they have come for the Jews in WWII. This book is an attempt to help guide the people that God calls to read this book onto the proper path of Bugging Out and not staying put in their homes and becoming a victim of the time to come. This book is but the first in a series to come to help educate and prepare the Saints of God with the Word of God regarding the times we live in and how God wants His people to respond to such matters. I hope you will join with us in spreading this message as time is of the essence We must all act with a sense of urgency, compassion, and love. The Time Is Now!

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
