

American Ways: An Introduction to American Culture (4th Edition)

As the cultural diversity of the United States continues to increase, the issues surrounding multiculturalism continue to be of great importance. With updates throughout and a fresh, new design, the Fourth Edition of American Ways retains its values-based perspective in examining what makes the U.S. unique -- and how traditional values influence various aspects of American life such as religion, business, government, race relations, education, recreation, and family. Features Includes enhanced focus on critical thinking, including assessing information, comparing alternative points of view, identifying potential problems and solutions, and being a questioning reader. Provides more explicit development of reading skills (skimming, scanning, predicting, and understanding main ideas and details). Features an expanded writing section (identifying and organizing academic information into main ideas and supporting details, often preceded by discussion, research, and completion of graphic organizers). Incorporates many new sources, poll data, and information on challenges such as rising national debt, gun violence, and immigration reform.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
