

## Daniel Gookin: 1612-1687; Assistant and Major General of the Massachusetts Bay Colony; His Life and Letters and Some Account of His Ancestry (Classic Reprint)

Excerpt from Daniel Gookin: 1612-1687; Assistant and Major General of the Massachusetts Bay Colony; His Life and Letters and Some Account of His Ancestry That no extended biography of Daniel Gookin has heretofore been published is without doubt attributable to the paucity of the available material. About 1840 Mr. John Wingate Thornton began to gather information about his distinguished ancestor, and in 1847 the facts he had been able to get together were embodied in an article upon The Gookin Family, printed that year in the first volume of The New England Historical and Genealogical Register. For more than thirty years Mr. Thornton was an eager gleaner of every item he could discover concerning the grand old American patriarch and sage. Though, to his deep regret, he was unable to carry out his design of writing a life of Daniel Gookin, by his early researches he laid a foundation for which I am greatly indebted. It is now thirty-six years since Mr. Thornton resigned his cherished task to my hands and I began the collection of data for the present work. In the scant leisure of a busy life this has been necessarily a slow process; and it is only within recent years that a considerable part of the information I sought has come to light. The more important facts of General Gookin's career are well known, but it has proved a difficult matter to supplement them with the mass of lesser items without which a well-rounded portrait could not be presented. Such a portrait I have endeavoured to prepare, but I am deeply sensible of many deficiencies. I have used the utmost care to secure accuracy of detail, and I can only hope that mistakes are few. Such as it is, the book is offered as a tribute to the memory of Daniel Gookin on the three-hundredth anniversary of his birth. It forms a part of an extended history of the Gookin family, other portions of which I hope to print at some future

time. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
