

The Artists Soul: Daily Nourishment to Support Creative Growth

A 365-day book for everyone undertaking creative self-expression. A thoughtful and enriching companion to the creative life.--Julia Cameron, author of *The Artists Way* In *The Artists Soul*, Linda Coons offers support and encouragement for the artist within each of us. In the tradition of *The Artists Way*, Coons leads the reader through exercises that encourage the development of creativity. In addition to being designed as a daily companion for artistic recovery, her book also acts as a reference tool that can be accessed to aid us in everyday struggles. *The Artists Soul* is a wonderfully practical guide that allows readers to connect with the most healthful, creative parts of their souls.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
