

Re-Versing Your Pain: A Poetry Workbook for Those Living with Chronic Pain (In-Versing Your Life)

We can carry a poem in our pocket, and take it out to give us motivation or courage, or to help us remember where we've been or where we want to go... From the Introduction to *Re-Versing Your Pain*. Cynthia Blomquist Gustavson, award-winning author of *In-Versing Your Life*, has written another book in her poetry therapy workbook series, called *Re-Versing Your Pain*. The workbook reaches out to all people who live with pain, whether emotional or physical. In her 22 years as a social worker, Gustavson has worked with thousands of individuals and groups, and worked extensively with caregivers of the chronically ill and developmentally disabled, as well as with those afflicted with physical and mental ailments, including depression and anxiety. This method explores the approach of holistic healing -- and will lead to healthy expression of pain, and a new understanding of the self. This is a must have for all therapists -- this will motivate both you and your client to express pain and confusion as words and ink.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
