

The Emotional Survival Guide for Caregivers: Looking After Yourself and Your Family While Helping an Aging Parent

Caring for a parent whose health is in decline turns the world upside down. The emotional fallout can be devastating, but it doesn't have to be that way. Empathic guidance from an expert who's been there can help. Through an account of two sisters and their ailing mother--interwoven with no-nonsense advice--The Emotional Survival Guide for Caregivers helps family members navigate tough decisions and make the most of their time together as they care for an aging parent. The author urges readers to be honest about the level of commitment they're able to make and emphasizes the need for clear communication within the family. While acknowledging their guilt, stress, and fatigue, he helps caregivers reaffirm emotional connections worn thin by the routine of daily care. This compassionate book will help families everywhere avoid burnout and preserve bonds during one of life's most difficult passages.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
