

# God Has No Edges, Dreams Have No Boundaries: Unlocking the Power of the Inner Mind

The author has written an intriguing book about dreams by sharing his own unique journey (as well as that of others) through various life choices and experiences. *God Has No Edges, Dreams Have No Boundaries*, will open your mind to a new way of thinking that has the potential to enrich your life. This book will teach you how to accurately interpret dreams and how to apply them in the waking world. Dreams can help you create financial abundance, offer health and healing information, recommend career direction and reveal your individual spiritual path. They did for the author and they can do the same for you. Dr. Bernard will teach you how to have problem-solving dreams on any issue that is confounding your conscious mind. C. G. Jung, the great Swiss Psychiatrist, came to Dr. Bernard in a dream and told him who God was. It will be a great surprise to read this chapter and these wise words. It is one of the highlights of the book. About the Author Arthur Bernard, Ph.D. founded and ran the Dream Center in Sherman Oaks, California, where he conducted dream seminars as well as his private practice for many years, taught dream work at several local colleges in the Los Angeles area, had his own radio show called DreamTalk and has given dream seminars in every major city in the United States.
