

Doing Business in Emerging Markets

The Second Edition of *Doing Business in Emerging Markets* has been completely revised and updated to reflect the challenges and opportunities facing businesses in emerging markets, in the wake of the financial crisis. Filled with international case studies and packed with real-life examples from across the world, this text covers all the key topics on an Emerging Markets course in an engaging and accessible way. Examining pre-entry as well as post-entry issues and strategies, this text shows how the emerging market context challenges traditional international business theories. Globalization is widely discussed as are topics such as CSR, regulation, finance and communication.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
