

Drums of the Dark Forest

Drums of the Dark Forest by Ed Stowers: The Allegheny Mountains are a dangerous place for whites in the summer of 1763. Trying to escape an Indian uprising under the Ottawa chief Pontiac, solitary hunter Zebediah Parker heads south through the dense forests of western Pennsylvania. Pursued by hostile warriors, he hopes to find safety and rest at Fort Ligonier. But stumbling across a massacre at a destroyed settlers cabin, Parker realizes that a roving war party has captured a young woman and small boy. Rather than leave them to their fate, he decides to follow and rescue them from their savage captors. After rescuing the beautiful Sarah Colter and her young brother Joshua, Parker flees south taking them to Fort Ligonier, only to find the fort surrounded and under siege by hostile Delaware and Shawnee war parties. Soon, the beleaguered post commander must call upon Parker to use his woodland skills to sneak past the Indians besieging the fort and obtain relief from Fort Bedford to the east. Parker quickly reaches Fort Bedford and brings help in the form of an army under the command of the dedicated English officer, Colonel Bouquet. Parker is reunited with Sarah and Josh at Fort Ligonier, and Bouquets army manages to chase the Indians away. But soon Parker must leave once again to act as a scout for Bouquets army as it presses to relieve the besieged Fort Pitt at the forks of the Ohio and Monongahela rivers. Fighting past an Indian ambush at Bushy Run, Bouquets army relieves the besieged Fort Pitt as Pontiacs War plays itself out. The uprising seems to be over, and Parker soon heads back to Fort Ligonier. But on his way Parker is captured by his mortal enemies, the Delaware, who strip him and march him northwest into the Ohio country as a condemned man, doomed to be burned at the stake. Trapped and alone among his lifelong enemies, Parker must endure the abuse and torture of hostile warriors, run

countless gauntlets at Indian villages, and find a way to settle a score with the Delaware warrior who killed his parents. If he survives, he must then find his way back to Fort Ligonier through the dark and untamed forests of the western Pennsylvania frontier, hoping the woman he loves will be waiting.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
