

Arsenal Stadium History: The Official Illustrated History of Highbury Stadium - 93 Years of Innovation, Passion and Pride

In May 2006 Arsenal played its last game at Highbury before moving to the new state-of-the-art Emirates Stadium. It was an emotional farewell to a ground that had witnessed some incredible games and which Arsenal fans had come to love as their second home. Relive those Highbury memories in this lavishly illustrated book that charts the stadium's story from the move to North London, the building of the stands and Chapman's many innovations. It brings to life the stories from the Second World War and the fifties when the team returned to winning ways. Reacquaint yourself with the characters that bought the first double to Highbury in 1971; the celebrations in 89; the success of the Wenger revolution and the final season at this unique ground. It features rare and previously unpublished photography; exclusive interviews with ex- and current players; key members of staff and fans; and full statistics of every match in Highbury's history.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
