

Romania: An Illustrated History (Illustrated Histories)

The history of Romania is the history of the Romanian people. Nicolae Klepper, a native Romanian, gives us all of Romania—from the days of the Roman Empire to the fall of communism, and beyond. As a country, Romania has only existed since 1859, but the history of its people stretches back to the late Bronze Age and the early Iron Age, to the Geto-Dacians and the Romans. This concise yet thorough narrative tells the fascinating story of the evolution of the Romanians, the creation of the Romanian Principalities, their struggle against empire-building powers, and their eventual unification to form the state of Romania. Many chapters begin with a section entitled Perspective, which provides context for Romanian history by describing events occurring simultaneously in other parts of Europe. The book's engaging, accessible format features over eighty illustrations, maps, and charts.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
